Dear Mr Metcalfe

I would like to express my gratitude for being recognized by the Foundation for the Development of Africa. I am proud to be the recipient of the inaugural Africa Leadership Excellence Recognition for 2013. I was truly touched by this kind gesture.

Thank you very much for the honour and recognition to receive such a prestigious gift of a Leadership Excellence. I have no doubt this will encourage other business leaders to do more to contribute to the growth and development of our people and the African continent.

I cherish the relationship I have with the Foundation for the Development of Africa and looking forward to a fruitful business co-operation into the future.

Thank you once again for the recognition award.

Yours sincerely
